Application for one (1) lended laptop per family from Labdoo

Labdoo.org lends pupils and trainees IT donations for the duration of their school attendance. For students only as long as the quota of IT donations is not exhausted. After the end of school / training / studies or permanent departure, the loaned device must be returned to Labdoo.

With the application you confirm that

- you, your family or school are not in a position to provide IT equipment yourself,
- You confirm that the IT donation will be returned at the end of school / study / attendance, departure from Germany or purchase of your own computer.

Your name must be shown on the doorbell, otherwise the parcel service will not deliver. If necessary, also state the name of the host family.
