Educate!'s Skills Course

An Educate!-trained Mentor provides world-class leadership, entrepreneurship, and workforce readiness training to 40 Educate! Scholars at each partner school over the course of a year and a half. The curriculum includes 80-minute lessons delivered weekly throughout the three terms of the school year.

[Leadership Passbook](#): Given to Scholars at the start of the Skills Course, the Passbook is the evaluation mechanism to assess Scholar progress in the first two terms of the Skills Course. The Mentor stamps each page when Scholars can provide evidence that they've completed at least two actions toward gaining each skill. After the entire passbook has been stamped, Scholars are eligible to graduate from the Educate! program.
